## Spring and summer activities well underway

Greetings everyone. Spring has finally arrived and we are all enjoying the outdoors. The grass is green, the annuals are planted and golf clubs have been dusted off. Spring and Summer activities are well underway here at our club also. Ladies golf and mixed golf have started, a bike tour and lunch is organized for May, the Car Rally will commence on June 6th at 8:30am and the Garden Club visits the RBG on June 11th.

Our picnic will be held on June 18th at Lowville Park immediately following our monthly Escarpment PROBUS meeting. In case of rain the picnic will be held at the Sports Centre. As you can see, there are a variety of activities for you to enjoy.

Remember the Probus motto "our success is fellowship, our strength participation".

Enjoy the warm weather. 

## Brewery tour and Folk Festival being planned

By Liz Read - Activities Chair

The Milton Centre for the Arts offered two events enjoyed by Probus members this past month. Fourteen of us attended the Anything Goes concert and a similar sized group attended Bedtime Stories as well as a preshow dinner at East Side Mario's.

The activities committee had good news to pass on to the 33 members who attended the wine tour in Niagara. Not only did we have a great day but also the participants each received a further \$6 rebate off the cost of the excursion. This money was handed out at our May meeting. Members who were absent that day can pick up their envelope at our June meeting.

On Wednesday, July 16, a free tour and tasting at the Old Credit Brewing Company has

been arranged for 10:30. At noon we'll have lunch at Snug Harbour. Last chance to sign up at the June meeting. Since money is not being collected for this trip, participants are asked to re-confirm their attendance with me by July 12.

The Mill Race Folk Festival is a free festival that takes over downtown Cambridge. Barbara Alderson is planning for Probus members to take in performances on Sunday, August 3. She'll present info at the June meeting and will send out emails to members who sign for this.

At our August meeting, we'll be listening to a presentation on Nordic Pole Walking. The following Wednesday, members can meet at Mill Pond in downtown Milton to practice walking with the poles. You can borrow poles from the presenter or buy some at our August meeting.

## Our June Speaker

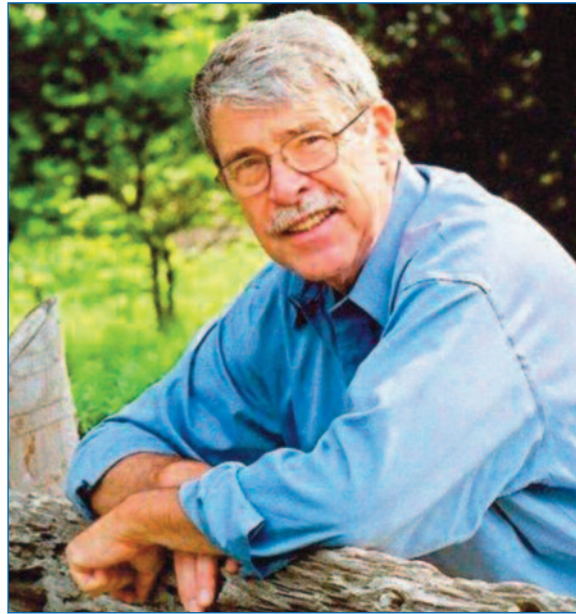

### History boring . . . NOT!

**Ken Weber - Writer, Lecturer**

**K**en Weber retired from the University of Toronto in 1996 to continue his developing career as a writer. His fiction series, Five Minute Mysteries, became a bestseller in Canada, the U.S. and Japan and is now published in twenty-two different languages, having sold copies in the millions.

A passion for history has taken Ken into a most enjoyable third career: convincing Canadians through lectures that their history is fascinating.

At retirement, U of T honoured Ken by naming him 'Emeritus', and the students at his faculty elected him Teacher of the Year. His love of teaching shows up again in these history presentations.

Ken and his wife Cecile live in Caledon and are trustees of the Bruce Trail. His speaking fees are donated to the Bruce Trail for preservation of the Niagara Escarpment. 📍

## Our July Speaker

**Timothy Starr**

**A**ging is something we cannot stop-but we can prepare for it. From the experience of organizing international conferences for seniors, Timothy Starr gives a presentation that is both humorous and practical on accepting the aging experience.

He formerly taught psychology at Heritage College and now gives leadership to 450 seniors at a large church. 📍

## On our cover this month . . .

**C**laude Monet painted Springtime (Le Printemps) in 1886. When he settled in Giverny, Monet rediscovered the domestic contentment he had so valued during his early years in Argenteuil. Alice Hoschedé was an excellent and patient companion, and their children often joined him when he went out to the fields to paint.

Depicted are his older son, Jean, and Alice's second youngest daughter, Suzanne, sit under the white petals of a fruit tree in full flower. The colour sparkles, capturing the refreshing quality of the clear spring air.

The Games will also be the largest multi-sport event ever to be held in Canada, double the size of the 2010 Winter

Olympics in Vancouver.

Beyond the unique skills and talents volunteers bring, which may or may not include the ability to leap tall buildings in a single bound, they're looking for volunteers with these qualities: friendly, approachable and genuinely enjoy helping people. Reliable. Great communication skills. Love working in a team environment. Good sense of humour. Uncanny ability to adapt to changing conditions.

## Escarpment PROBUS By-Laws update

Since our last meeting, several members of the Management Committee, Cliff Read, Ron Millichamp and Martin Capper, have met to examine, discuss and adapt a set of By-Laws that would be specific to our chapter of the Probus family.

It is the intention of the Management Committee that each member will have an opportunity to review a final version of the By-Laws and vote to accept them at the upcoming A.G.M.

Probus Centre-Canada has already provided a standard constitution that is to be used by all clubs across Canada. It was felt that this template could not be changed except for the inclusion of our specific name - Escarpment Probus Club.

The By-Laws, however, reflect a unique set of guidelines that would be implemented for the successful running of the club. It covers such areas as Name and Territory, Membership, Management, Election of Officers, Meetings, Financial, and Termination.

A first draft of the Escarpment PROBUS Club By-Laws has been created at this point. It needs to be reviewed by the entire Management team and changes will be made, if necessary, before it is presented to the general membership for approval. Look for this in the near future.

## Bob Milne's Ragtime Tea

Join us as we enjoy one of the world's greatest performers of the Rag Time and Boogie-Woogie piano styles. You will NOT be disappointed!

Bob Milne's natural ability to hear and play music goes back to his early childhood. He makes the statement, "I knew how to play a piano long before I ever started. Just push down the notes you hear and the instrument will play itself. Can't everyone do this?" He considers either looking at music or practicing to be "cheating."

Playing in concert halls since 1991, Mr. Milne plays worldwide every year. A comment often heard following one of his performances is, "unbelievable!"

## Tight squeeze for these avid Noshers

By Alan Jordan - Editor

April 25 found the Jordan household busting at the seams with 21 avid Noshers enjoying a fabulous, home made repast. Rosalind produced a cake celebrating the evening's fun and frivolity. Topics of conversation run the usual huge gamut from politics to religion to money, all the things we're taught not to talk about in polite society when growing up. Banned subjects were Rob Ford, the playoffs and the wretched winter. Wow! How the time flies when you are having fun. This is what Probus is about. June 27 Bob and Gloria - July 25 Martin and Norma - August 22 Robyn - September 26 Marilyn - October 24 Jack and Chris. 

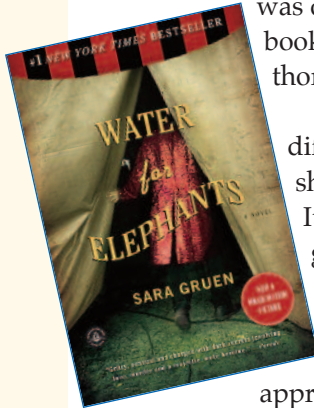

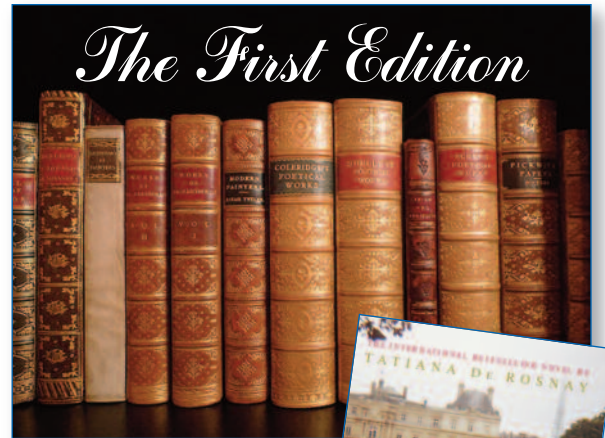

## Elephant motif sets the stage for discussion

By Lorraine Shermet

On Monday May 12th 6 people including Lorraine gathered at her place to discuss the book 'Water for Elephants' There was quite a discussion about the book, Everyone who read it thoroughly enjoyed it.

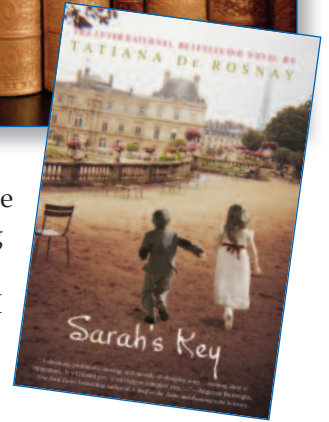

Discussion speared off in different directions and some shared personal stories as well. It was a great afternoon of group sharing. Liz commented on Lorraine's living room as it has an elephant decor and it was appropriate for the book.

On June 9th we will be going to Anne's house and we are now reading "Sarah's Key".

More on this book, I read it in 4 days, could not put it down. 🇺🇸

# THE SOCIAL SCENE

By Jeanne Reid - Social Chair

We had a very successful launch of our new Wine Tasting Group at Michael Hooker's home in May. There were 18 attending with 4 more signing up at our last meeting. Thanks to Michael for organizing the format for the group.

Two new golf groups have had delays due to bad weather. They will play their games end of May and early June.

Picnic plans are well underway with Lowville Park booked for June 18, after our meeting, from noon to 3 pm. Everything will be supplied, just bring yourself and maybe a comfortable chair - see promo below.

There is a 5 minute walk from the parking lot to the picnic site area #6. Proceed across the small bridge and turn right toward the covered shelter area and picnic tables. After lunch, there will be mush ball, bocce ball, croquet, scavenger hunt for those who wish to participate. Let's hope the weather co-operates but if not, we will have our luncheon at the Sports Centre. We have had a great response from our members with 60+ people attending. 🇺🇸

## “Winers” off to a grape start

By Michael Hooker - *Convener*

We had our first Wine Group meeting on May 1st. Eighteen Escarpment “Winers” crammed into Michael Hooker's house to taste some wine and set up the structure of our group – at least for the first while. All round, a great success, thanks to the active participation of everybody.

We agreed that 18 people at a tasting is too many, so we will have two tastings each month – with half the group at each tasting. Timing is: first Monday (second Monday if the first is a holiday) and first Thursday of each month, at 7:00pm – year round.

The June dates are 2nd June at Norma and Martin Capper's, and 5 June at Megs Shellard's. The make-up of each group will change every month, so we will be able to meet and taste with all our group members over time. We will rate the wines we taste – so we may wish to pass on our advice from time to time.

We now have 32 members on our distribution list. If you are interested, contact me at mhooker10@bell.net and I will send you more info on our group. 🇺🇸

Please return . . .

. . . your name tags to the Membership table at the conclusion of each Probus meeting.

# Come out and enjoy lunch with your new friends...

By Catherine Parr - *Convenor*

Seventeen of us tried out "Allison's at the Best" after our May meeting. The pot pies were applauded and the dishes ordered received great reviews. It would be worth returning to this restaurant for a comfort food repast, possibly in the deep of winter.

The food was reasonably priced; the alcohol a bit pricey. There was a mix-up with the bills which I will make certain to have corrected if we visit again. It was unfortunate but handled with

grace by our crowd. Thank you all for your patience.

In June, please enjoy our picnic!

On Wednesday 9 July, we will look forward to sitting on the patio at the Crosswinds Golf Club for lunch. This is where the Escarpment Probus met last fall and where we had our Christmas lunch in a lovely setting.

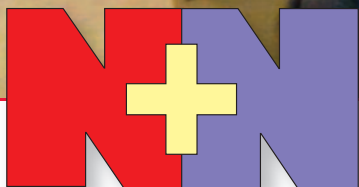

Please read the next Forum for a peek at menu.

## FOOTLOOSE THE MUSICAL

**Planning now for October  
At the St. Jacobs Country Playhouse**

One of the most explosive movie musicals in recent memory bursts onto the St. Jacobs stage with exhilarating results.

A young rebel moves to a small middle-American town where dance is forbidden and encourages all young people to defy the strict edict of local pastor and call for a rock 'n roll party.

The St. Jacobs Country Playhouse is conveniently located in the heart of St. Jacobs Country. A converted Cidery and Winery, this 400-seat theatre retains the turn-of-the-century masonry and heavy timber character associated with the traditional Mennonite lifestyle.

## Intrepid riders saddled up for Le Tour

By Liz Read - Activities Chair

**N**ine Probus members accepted the challenge of a 44 km bike ride along the Grand River from Cambridge to Paris and back.

The weather was perfect for cycling and we enjoyed a wonderful lunch on an outdoor patio at the Riv2ers Restaurant, the food was great and Ashley graciously gave us complementary appetizers.

After lunch, we rode back making it a 44km day. Everyone had a great time, although some bums were complaining.

Our leader, John Flynn, made sure our bikes were up for the job and his wife, Julie, encouraged us when the going got tough for those of us who hadn't been back in the saddle since last summer.

We're already planning another ride in the fall and are discussing routes, maybe Elora.

Probus members are invited to get out their bikes from their garages, practice on the many trails in Milton, and join us for the next excursion. 🇨🇦

# The Sequel

BOOK CLUB

## Verdict still out on dysfunctional family

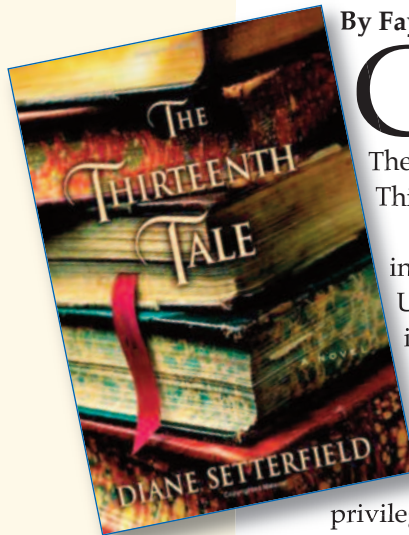

By Fay MacDonald - *Convenor*

Gretchen Greene O'Brien was kind enough to host our Sequel Book Club for this edition.

The book under discussion was *The Thirteenth Tale* by Dianne Setterfield.

The book, we believe, takes place in the early 1900's somewhere in the UK. It is about a young woman who is asked to write the autobiography of a well-known author Miss Winters.

Their story is about a very dysfunctional, to say the least, and privileged family.

The story covers the relationship between the father and his children, incest among siblings, triplets including the evil one, the absent-minded staff and the home that is left to fall apart and the town's people who watched and speculated as to what was happening.

The book references many other well known gothic romantic novels which made us wonder if the author didn't take those stories and mix them together to make this book.

Would we recommend this book? The verdict is still out. We did agree that this book is not for everyone! You may have to read it to Odecide....or not.

Gretchen thank you for opening your home to us we all had a fabulous time. Desiree Woon will be hosting our next meeting on Wednesday June 11th. The book we will be reviewing is *A Complicated Kindness*.

## New Probus golf group tees off

By Ron Millichamp - *Convenor*

We are calling our golf group the Probus Pin Seekers.

For at least the first 2 outings, the location will be the Acton Golf Club, at 4955 Dublin Road, Acton. From Milton you proceed north on Hwy 25 to Hwy 7. Left (West) on Hwy 7 to Dublin Road. Right (North) on Dublin Road. 2 Kms. to the golf club.

The cost is \$35 for people using a cart and \$25 for walkers. We will play every second Thursday starting at 9 a.m. It is a fairly short, but interesting course, measuring 5,155 yards.

See you on the greens!

## Euchre Clubs

By Christy Babcock - *Convenor, Evening Euchre*

Due to some of our players working on the election plus other commitments, the June 12th Evening Euchre game has been cancelled.

The majority of the players have voted to cancel playing Euchre in the summer and the games will resume Thursday, September 11th at 7:00pm at the home of Sigrid Byrne and co-hosted by Sheila Webster.
