Fun in the Sun at Lowville Park

Martin Capper

President

July means summer and summer means our annual picnic. Over 70 of our members assembled at Lowville Park for a few hours of fun in the sun. Julie and her creative team of volunteers treated us to games of bocce ball, ladder golf, mush ball and scavenger hunt! Our members painted a scene of red and white as we celebrated Canada 150 starting with us singing Oh Canada! The weather gods once again cooperated and a great day was enjoyed by all. Our thanks to Troy's Diner for the BBQ.

As you know your VP Robyn has been searching for more suitable accommodation for our monthly meetings and I am happy to report that Robyn's efforts have been successful. Starting with our November meeting our monthly meetings will be held at what is currently known as *Teatro Banquet and Conference Centre*. (See photo below). This building, on Chisholm road between Kelsey's and the Best Western Hotel, is in the process of being acquired by Milton Bible Church and they have reserved it for us on the 3rd Wednesday of each month.

Gloria and her Nominating Committee are still working to come up with a slate of candidates for the vacant positions on the Management Team. I would appeal to any of our members with a flair for creativity or writing to consider putting their name forward for consideration as our newsletter editor. I know Peter's labours as editor over the last two years have raised the bar considerably but that should not be seen as an obstacle. The principle job of the Forum is to record and inform our members of our activities and the editor is free to put his or her own personal "stamp" on it!

The Bruce Trail Conservancy - Celebrating 50 years of Conservation

Beth Gilhespy has had a passion for the Niagara Escarpment and the Bruce Trail all her life. An avid hiker and amateur geologist, she became a volunteer on the Bruce Trail Conservancy (BTC) Environment Committee in 1993, eventually becoming CEO. She will showcase the history and work of the Bruce Trail Conservancy against a backdrop of images and stories about the Niagara Escarpment. Participants will learn the origins of the BTC as a conservation organization, its role in Escarpment land protection, and be treated to a virtual hike of the Bruce Trail from Niagara to Tobermory.

Planning for the Next Year

By Chris Strachan - Correspondent

The Sequel book club met in July at the home of Chris Strachan and we were treated to a lovely day so we were able to meet out in the garden. As we do each year in July, each of the members recommended a couple of books which we read and shared our thoughts on them. We covered several that we felt might be good selections for the club in the coming year. We do not meet in August so our next report will be on the September meeting.

MEMBERSHIP DUES ARE DUE

at the end of September

The price remains the same at only \$45 per person. Please bring your cheques to the August 16 meeting or, for sure to the September meeting.

Cheques are to be made out to Escarpment Probus.

Lots of Flowers at the Flowers'

By Chris Strachan - Convenor

The July meeting of the D'Stillers was held at the home of Keith and Marion Flowers. The Flowers really live up to their name, their garden is certainly a showpiece, with ponds and many other architectural features to delight the eye. Keith presented us with five whiskies for our tasting pleasure, following are the results.

The winner of the evening was **Balvenie Doublewood 12 Yr Old Single Malt**, with a score of 86%. This whiskey was also rated number one at our Oct 2016 tasting which shows the D'Stillers have good taste. This is quite an accomplishment considering the stills they use were bought second hand from another Distillery.

Second was **Aberfeldy 12 Yr Old Single Malt** which came in with a score of 83%. This is also a whisky we rated number one in our January 2016 tasting. Aberfeldy is the main whisky that is used/blended into Dewers White Label Whisky which is the best selling blended whisky in the USA.

Next came a tie between **Glenfiddich 15 Yr Old Single Malt** and **Glenfiddich 12Yr Old Single Malt** with a score of 78%. The Glenfiddich whiskies are famous for their green triangular bottle recognized by whisky lovers the world over. Glenfiddich Distillery produces 10 Million litres of whisky per year. The first whisky produced was on Christmas Day in 1887.

Fifth of the evening was **Glenlivet Founders Reserve Single Malt** with a score of 75%. Often described as the Distillery that started it all. Glenlivet was Scotland's first officially licensed Distillery in 1823.

Thanks to Marion for hosting the DD's and supplying the treats. Thanks also to the DD's for a safe journey home.

The Aug 2nd meeting of the D'Stillers will be at the home of Pete and Lorrette Shermet.

Learning to Play Bocce

By Sandy Cannell - Activities Chair

Thirty two of our members had a great time learning how to play Bocce at the Italian Canadian Club of Milton on Wednesday July 5th. There was an instructor on each of the four courts to explain the rules of the game, show us how to hold the ball and how to score.

It was a very warm day with little shade on the courts but that was made much more bearable when the Cash Bar opened for business. We enjoyed pizza and fruit in the air conditioned club house at the end of play.

Cribbage Shenanigans!

By Martin Capper - Convenor

With 24 players it was almost a full house for the July meet. We welcomed the return of Karen and also new member Janet! Thanks to Ellen, Lorraine, Joanne and Janet for making sure hunger didn't dim our enthusiasm for the game! Bragging rights go to Chris (Strachan that is) who managed 6 games without defeat. The writer got high scoring title with 20. We also witnessed pegging of 14 when I got 31 with the fourth consecutive 2! The cribbage group sends wishes for a speedy recovery to its long time member and a former champion Megs as she recovers from her injury!

Oh Canada, Eh?

By Gloria Pennycook - Correspondent

Twenty-four people attended a wonderfully entertaining event arranged by Ann Du Pont to the Oh Canada Eh? show in Niagara Falls. The show has been entertaining guests since 1994! Singing Mounties, lumberjacks, Anne of

Green Gables and even a hockey

player kept us laughing and enjoying a true Canadian inspired performance. They paid tribute to over 30 of Canada's professional recording artists, and some were quite a surprise! A few of our members were pulled out of their chairs to dance with the artists and be serenaded! We also enjoyed a delicious all Canadian meal of pea soup, chicken, fish, potatoes and cake.

I would highly recommend Oh Canada Eh? to anyone if you like Canada, music and laughter!

We Need You! Management Positions for 2017/2018

By Gloria Pennycook - Past president

If you were at our last meeting, you will know that I was actively recruiting for great volunteer opportunities on the Management Team. In order to ensure there is renewal and new ideas, half the Management Positions change every year. All of the Management positions are 2 years except for Vice President which is 3 years.

We are looking for enthusiastic people who want to help to make the Escarpment PROBUS Club a "Live. Laugh. Learn." club. The time commitment on our management team is typically a few hours a month. The Management Team not only helps to guide the Club direction but is also a lot of fun!! Everyone pitches in and helps each other out.

Here are the 6 positions that we are looking to fill:

- 1) Vice President (male) - a 3 year term;
- 2) Treasurer;
- 3) Membership;
- 4) Activities;
- 5) Forum Newsletter;
- 6) Auditor (not on the Management Team, once per year audit required)

So far, no candidates have stepped forward for the **Forum Newsletter Editor** role. Please give some thought to contributing your talents and enthusiasm to the continuing success of our club.

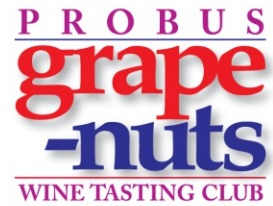

You may download a Position Descriptions file at goo.gl/dWxw3x. Please copy and paste, or type this address into your browser to download a PDF description of the various roles.

If you have any questions or are interested in one of these positions, please email me at gpennycook@icloud.com. I will be happy to chat with you.

Grapenuts Staggers Along

By Michael Hooker - Convenor

Our July tastings had to be cut back to two, as Megs Shellard was not able to host after her accident at the Milton Hospital Strawberry Fair. Megs is recovering well, but it will be some months before she's fully on her feet again.

Both of our hosting couples picked themes that were a bit different from the norm (which is great). Our July results:

Norma and Martin Capper's was: "Finding the best —" And after tasting the wines, guests had to guess the missing word, which they did, with a little help. Answers were: Whites: Gewutzraminer wines / Reds: Blended wines from M nage a Trois Winery (a "naughty" theme).

Best White: **Pelee Island Gewutzraminer**. Ontario. LCBO 135970, \$11.95. Score 13.5.

Best Red: **Menage a Trois Red**. USA. LCBO 308007. \$17.95. Score 14.9

Auriel Halliday and Don Evans picked for their theme: "Cheap at half the price" - Wines in 1.5 Litre bottles. Then to make it more interesting they served 3 Sauvignon Blancs and 3 Cabernet Sauvignons. To pun, you could say this was a "sauvage" tasting. But as Auriel put it, with 13 people and equivalent of 12 bottles of wine, the servings were large and the group laughter even larger!

Best White: **Yvon Mau Sauvignon Blanc**. France. LCBO: 470450. \$16.95 (1.5L) Score 12.4.

Best Red: **Santa Catalina Reserva Cabernet Sauvignon**. Chile. LCBO: 278119. \$21.70 (1.5L). Score 13.8.

Our August Tastings will be:

Thursday 3rd August - Marion and Keith Flowers

Monday 7th August - Ann and Ron Dupont

Wednesday 9th August - Petra Halk and Stephanie Hamnett (joint hosts)

Photos from wine tasting July 12 at Auriel & Don's.

Picnic Goers See Red

By Julie Flynn - Social Chair

And a great time was had by all! With perfect weather, over 70 Probus members gathered at Lowville Park on July 19th for our fourth annual picnic. Most showed up in red and white in honour of Canada 150, and we all sang O Canada before lunch.

Games took place between the barbecue and dessert. Winners for mush ball were Liz Read and Wayne Herder; for bocce, Irene and Len Hiebert and Ellen and Chris Wallhouse; for ladder golf, Barb Finnie and Sandy Cannell; marble guessing, Gillian Reynolds, and the scavenger hunt by a team who called themselves "The Divas."

A very special thank you to Sandra Bashford (face and arm painting), Jenny O'Brien (Bocce), Cliff and Liz Read (mush ball), Joanne and Ron Millichamp (ladder golf), Lorrette Shermet (scavenger hunt), Suzanne Herder (prizes) and all the members of the social committee. Kudos to Troy's Diner for a wonderful barbecue.

Christmas is Coming!

By Diane Comstock - Convenor

The Piece Makers met on July 10th at Wendy Stringer's home. We admired some finished projects that Judy and Carol Ann brought for show and tell. We were again joined by Barbara Alderson, who brought along samples of Christmas fabrics which she has available for the use of the club if we have projects that we would like to tackle. We all chose some fabrics and are looking

forward to seeing our creations in the next couple of months.

Quilting term of the month: **Novelty Print** – A fabric is designed and printed with a theme such as holidays, pets, sports, and so on. It is also referred to as conversation prints.

Our next meeting will be at the home of Carol Ann Currie on Monday, August 7th. Anyone who quilts or would like to learn are welcome to join our meetings.

All about the Birds & the Bees

By Christy Babcock - Convenor

On Wednesday, July 26th the Gardening Group and some other Escarpment Probus members met at the home of Len & Doreen Bennink for lunch followed by two guest speakers. The scrumptious lunch was enjoyed in their lovely garden as was the presentation by Karen, from the City of Guelph, who presented on attracting pollinators and drought resistant planting. Inside using a power point presentation Sarah, from Wild Birds Unlimited, talked about attracting backyard birds. Both guest speakers were a wealth of information and answered numerous questions. Some interesting tidbits:

- Baltimore Orioles nest in tall shade trees near water. They like to eat oranges in feeders but absolutely love grape jelly. The reason why we don't see them for awhile after numerous sightings in the spring is due to them nesting and the babies feed on insects hence the adults have less time at our feeders. Orioles are one of the few birds that eat tent caterpillars

- Goldfinches nest mid summer rather than the spring and often use dog hair or the fuzzy part of thistles to line their nests
- Grosbeaks, Cardinals, Mourning Doves and Juncos like Safflower seeds but squirrels don't; unfortunately chipmunks do
- Bees love the flower Lambs Ear and the little hairs on the leaves
- Bees have double wings whereas flies have a single wing and bigger eyes
- To keep rabbits from eating your garden plant the perimeter with Rue an ornamental plant and herb

This was the last Escarpment Probus Zoomer Bloomer Gardening group meeting/outing. Future activities will be offered via our Activities Committee.
