

ZOOM Installation Instructions for Smartphones

1		<p>Make sure your phone has a WiFi internet connection. On your iPhone – click on App Store On your Android phone – click on Play Store</p>
2		<p>Click on the Search icon (magnifying glass) and Search for Zoom</p>
3		<p>Search may list a number of apps with the Zoom name, look for the one that looks like this image. Click on GET or the cloud down-arrow</p>
4		<p>Wait while it downloads</p>

5	 <p>A screenshot of an app store search for "Zoom". The search bar at the top contains the text "Zoom" and a "Cancel" button. Below the search bar, the app "ZOOM Cloud Meeti..." is displayed with the subtitle "Meet Happy" and a 5-star rating of 4.9K. An "OPEN" button is visible to the right of the app name. Below the app name, three preview images of the app on different devices (iPhone, iPad, and a larger screen) are shown.</p>	After downloading is complete, click on OPEN
6	 <p>A screenshot of the Zoom app's home screen. At the top, the time is 9:19 and the status bar shows "App Store", signal strength, Wi-Fi, and battery. Below the status bar, there is a settings gear icon and a row of five dots. The main heading is "Start a Meeting" with the subtext "Start or join a video meeting on the go". In the center, there is a circular diagram with a person icon in the middle and four device icons (laptop, smartphone, tablet, and another laptop) around it, connected by a circular line with plus signs. At the bottom, there is a large blue button labeled "Join a Meeting" and two smaller links: "Sign Up" and "Sign In".</p>	Click on Join a Meeting
